Town of East Gwillimbury

NOTICE OF PUBLIC INFORMATION MEETING

Green Earth Village Development
Town Files: ZBA.26.01, 19T-26001 and CDP.25.02

A Public Information Meeting will be held to receive input on the Green Earth Village Development on:

Thursday, June 11, 2026, from 6 – 9 PM

at the Health and Active Living Plaza (HALP) in the Learning, Arts, Culture, and Diversity POD located at 160 Jim Mortson Dr, Queensville

Public Information Meeting:
You are invited to attend a Public Information Meeting regarding the development proposal known as Green Earth Village. The Information Meeting will enable you to review information pertaining to the proposed development, ask questions, and provide comments to the applicant and Town staff. This Information Meeting is being held to provide the opportunity to understand the proposal, ask questions, understand the process and timing regarding the proposed development. The Information Meeting is for consultation purposes and does not constitute a statutory Public Meeting under the Planning Act.

This public information meeting will be held to share information regarding the Community Design Plan, Draft Plan of Subdivision and the proposed Zoning By-law Amendment.

Format of the Information Meeting:

This Information Meeting is formatted as a drop-in session enabling you to review the Information regarding the proposal and to ask questions in a one-on-one format. No formal presentations will be given, and anyone interested can come at any time between 6:00 and 9:00 p.m. Representatives from the Town and the Consultant team will be available to answer questions and discuss the details of the proposed development. Feedback from attendees will help inform the final version of the proposed development.

About the Project:
The purpose of these applications is to permit the development of a mixed-use residential subdivision comprised of approximately 1,743 residential units (low to high density) including several commercial blocks, an institutional use (Southlake Hospital), a long-term residential care facility, and several parks and school blocks. The proposed Zoning By-law Amendment would rezone the lands from “Rural” (RU) and “Site Specific Rural” (RU-119) Zone to various urban zone categories.

More information on the proposed development is available on the Town’s website:
