## PUBLIC NOTICES

### WINTER PARKING REMINDERS

This week's forecast is calling for ongoing flurries. As a reminder, our snowplows will be deployed to ensure Town roads are cleared and safe. Please remove all vehicles off the road during snow events so our plows can navigate roads safely. Check our website or social media accounts to see if there is a snow event.

### Parking Consideration Forms

Residents can request for temporary roadway parking through the use of the Parking Consideration Form. The consideration provides temporary relief from the three-hour maximum for special circumstances. Considerations are issued for occasional and shortterm parking at the discretion of the By-law Branch, but are not valid during a snow event.

### Parking Exemption Period

To allow for guest parking, residents may also park on the road between 7 and 11 p.m., in addition to the three-hour parking limit, except during a snow event. This would allow for parking for three hours before, and after the exemption period.
