## COVID-19 UPDATE

York Region Public Health is closely monitoring the emerging novel coronavirus (COVID-19) situation, in collaboration with provincial and national health agencies. If individuals are experiencing symptoms, or believe they may have been in contact with a positive case, you should self-isolate and call either your local health professional or Public Health.

Follow these tips to help prevent the spread of respiratory infections, including common colds and the flu:

- Wash your hands well and often with soap and water, or with alcohol based hand sanitizer (don't forget to wash your wrists, under your fingernails and in between your fingers).
- Cough or sneeze into your sleeve or cover your mouth and nose with a tissue and throw the tissue out immediately. Wash your hands afterwards.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- If you are sick, stay home and avoid crowds until you are well again. Avoid sharing personal items like eating utensils and water bottles.
- Frequently clean and disinfect high-touch surfaces and shared items using regular household cleaners.

Visit [York.ca/covid19](http://York.ca/covid19) or [Ontario.ca/coronavirus](http://Ontario.ca/coronavirus) for more information. If you have additional questions, please contact Health Connection Monday to Friday from 8:30 a.m. to 4:30 p.m. at 1-800-361-5653 (1-866-512-6228 for the deaf or hard of hearing).

For medical advice, you may also contact Telehealth Ontario at 1-866-797-0000. Telehealth Ontario is a free, confidential service that is open 24/7 providing health advice and information.
