

## Mount Albert Sports Day and Spring Fair

June 2018

Another Sports Day has come and gone and our 93<sup>rd</sup> is just another memory filed away in our books. Great times, hard work, a fantastic committee and group of volunteers, and an enormous list of sponsors made it an extremely successful afternoon!. This years Sports Day Pet Show was another great success!

Thank you East Gwillimbury Fire Services! Our event was a success because of generous sponsors like you. Your donation was really appreciated by the kids who participated. We announced your business name several times throughout the show, in addition to being listed on our sponsor banner to ensure your well-deserved recognition.

We heard from many parents that "This was even better than last years!"

With Sponsors like you, we can continue to make the pet show even bigger and better in 2019!

Sincerely,

Angela Smith and Jennifer Russell
