

## **Senior (65+) or Low Income Disabled Water/Wastewater Deferral Program Application**

The Town of East Gwillimbury offers eligible property owners a water/wastewater deferral program to assist homeowners with their water/wastewater bills. The amount that can be deferred is **50%** of the fixed/delivery charges. This amount is transferred to the tax account and acts as a lien against the property until the time in which the home is sold or a change of title occurs.

The program is only available to the eligible owners of the home that

1. receive water/wastewater bill directly from the Town of East Gwillimbury
2. are registered owners of the property
3. have owned the home for the full year in which they are applying for relief
4. are receiving one of the following government supplements
  - Guaranteed Income Supplement under the Old Age Security Act
  - Ontario Disability Support program
  - Ontario Works Assistance
