Reporting to the Asset Management & Capital Project Manager, this Crossing Guard will be primarily responsible for directing the movement of persons across a highway by creating necessary gaps in vehicular traffic to provide safe passage at a designated school crossing location following established Town processes, procedures, and equipment. In addition, the Crossing Guard will coach school children on safe crossing techniques, as required, and report issues that may compromise safety at the crossing location to the Crossing Guard Team Lead for follow-up. Actively contributes to issue resolution with a variety of stakeholders including Town staff, public, school board employees and police. Collects statistical data in a format specified by the Town for Asset Management purposes.

The successful candidate will have the ability to exercise discretion and judgment to assess when to stop vehicular traffic and when it is safe to permit persons to cross, has alertness and observation skills and ability to actively supervise persons while crossing. Ability to deal courteously and effectively with school children, pedestrians, school and/or other staff is required; along with strong and assertive verbal communication skills to explain the rules of safe crossing, communicate to school administration staff and facilitate two way communication in person or by telephone with supervisory staff. Ability to work in all-weather conditions such as heat, cold, snow and rain. Must be capable of standing and/or walking for an extended period of time and possess adequate levels of hearing and vision, along with working knowledge of traffic safety.

Applicants must provide a current Vulnerable Sector Screening Police Reference Check prior to employment.
