Please note that those individuals who have run for office in Municipal Elections for any of the participating municipalities, or who have conducted audits or provided financial advice in respect of Municipal Elections for any of the participating municipalities will be disqualified.

The purpose of the Joint Compliance Audit Committee is to:

- Consider compliance audit applications made by electors and decide whether they should be granted or rejected;
- Appoint an auditor if the application is granted;
- Receive the auditor's report;
- Consider the auditor's report and decide if legal proceedings should be commenced; and

The term of the Committee will commence in 2010 and continue through to 2014. Municipal Election Candidates have until March 25, 2011 to file their Financial Statements. Any requests for a Compliance Audit will occur after that date. While Compliance Audit requests for the 2010 Municipal Election must be submitted by June 23, 2011, a by-election could result in the need for the Joint Compliance Audit Committee to sit during the term of Council.

The remuneration will be a \$400 retainer fee (which includes compensation for review of any background materials) and a \$350 per diem rate (plus mileage).

Last date for submission of applications: **Wednesday, May 5th, 2010**. If you require further information, please contact: Fernando Lamanna, Deputy Clerk at (905) 478-4282 Ext 1240; [flamanna@eastgwillimbury.ca](mailto:flamanna@eastgwillimbury.ca)

### THINKING GREEN

Approximately 40 per cent of household waste is compostable and can be diverted from landfills. Some of these items include raw fruits and vegetables, tea bags, grass clippings, plants and many others items.

The material produced through composting is rich in nutrients and can be used in your garden to improve plant growth and retain moisture in your soil. Take advantage of Compost Awareness Week to learn how you can reduce your household waste. Visit [www.york.ca](http://www.york.ca) for more information about backyard composting.
