Shown here, Enbridge representatives Aaron Holt (far left) and Thomas Canellos (second from right) provide sausages and pancakes to servers (L to R): Councillor Tara Roy-DiClemente, Mayor Virginia Hackson, Councillor Cathy Morton, Councillor Marlene Johnston, and Councillor John Eaton.

SIDEWALK SNOW REMOVAL

In order to help Town staff clear sidewalks during the winter months, please remember that it is unlawful to park a motorized vehicle over a sidewalk or footpath.

Also, we ask that you keep curbing, flower boxes and other items at least 30cm (1 foot) back from the sidewalk. Our snow removal equipment might come into contact with closer items causing damage to the machinery.

THINKING GREEN!

Online banking is an easy and efficient way to give back to the environment. Instead of making a trip out to your local bank, save yourself time and gas by doing your banking in the comfort of your own home at a time that suits you. Online banking decreases the number of trips made to banks, significantly reducing the amount of car emissions being released each year. Paper use is also reduced considerably as bills, statements, and cheques are no longer necessary. Try your banking online this week and see how fast and easy it can be; you will save yourself time and money while reducing your greenhouse gas emissions and paper use.
