24 October, 2003

Fire Chief Ken Beckett
Town of East Gwillimbury Fire Department
19000 Leslie Street
Sharon, Ontario L0G 1V0

Dear Sir,

This is to provide confirmation of the successful completion of the "Superior Tanker Shuttle" test for the three Town Fire Stations located in Holland Landing, Mount Albert and Queensville. We have given a "Superior Tanker Shuttle" listing for residential properties and have upgraded the commercial properties from a class 9 to a class 8.

This classification is valid within 8 kilometers by road of the Fire Stations for residential properties and 5 kilometers for commercial properties within the Town.

The Insurance gradings will be changed to reflect this accomplishment in our next release in late October, 2003. This letter may be taken as confirmation of the change in classification in the meantime.

Should you require any further information, please do not hesitate to contact me.

Yours truly,

Michael McKenna,
Senior Public Fire Protection Specialist
