

# Metal Item Recycling

Large metal items such as appliances, barbecues (no propane tanks), bed frames, furnaces, hot water heaters, metal bath tubs, storage sheds and bicycles must be recycled. Call **1.866.421.5625** to arrange for a special curbside collection. For safety, remove doors from fridges, freezers and ovens. **If a special collection is not booked, metal items will not be collected.**

## Upholstered Furniture, Mattresses and Carpeting, etc.

Items to be placed at curbside for pick-up on your regular bi-weekly garbage collection day. Please break down or separate large/heavy items, if possible. Bundle small loose pieces. Tie carpeting and linoleum in rolls measuring no longer than 1.2 metres (4 ft) and weighing less than 20 kilograms (44 lbs).

## Construction & Demolition Waste

Take these materials to York Region's Waste Transfer Station. See page 3 for location, hours of operation and disposal rates, or donate good quality materials to charitable organizations.
