

Town of
East Gwillimbury

Office of the Mayor

Mayor Virginia Hackson, B.A., B.Ed.

FOR IMMEDIATE RELEASE

May 20, 2021

Pop-Up Vaccination Clinic in EG

I am very pleased to announce that York Region Public Health, in partnership with the Ministry of Health has indicated that a pop-up community clinic will be established in East Gwillimbury this coming weekend.

At the time of writing this announcement, details were still being confirmed, however it is anticipated that the clinic will be open to anyone 18+ who lives or works in East Gwillimbury. The pop up clinic location and hours of operation are available on our website at www.eastgwillimbury.ca/vaccinesupport. These vaccines will be administered by appointment only which can be booked through the York Region site at www.york.ca/COVID19Vaccine

If you require assistance booking your appointment, please contact the Town's library teams by calling 905-836-6492 (Holland Landing library branch) or 905-473-2472 (Mount Albert library branch).

This is an important step forward in helping to keep our community safety. I would like to thank our partners at the Region and Ministry for providing the resources to bring a pop up clinic to our community.
