

NOTICE OF WORK

ROAD RESURFACING

- Cedar Street from Yonge Street to 120m East of Walnut Avenue
 - Oakridge Court from Colony Trail Blvd to Thompson Drive
- Forrestwood Crescent from Colony Trail Blvd to Colony Trail Blvd
 - Royal Cedar Court from Colony Trail Blvd to East End
 - Donlands Avenue from Mount Albert Road to Tate Court
 - Albert Street from King Street to Victory Drive

Road resurfacing work within Town is expected to start the week of July 12, 2021 and this work is anticipated to last until late fall. The contractor for this project is C. Valley Paving Ltd. (Contract No. T-21-03).

The Town will take all reasonable measures to ensure a non-intrusive construction process; however, in cases where private infrastructure is installed on Town property without consent, damages may occur as a result of construction and will be the responsibility of the property owner to repair. This may include items such as sprinklers, invisible fences, private wiring, etc.

During the resurfacing project, we will make a concerted effort to maintain access to your driveway; however, driveway access may be interrupted for short periods of time. The contractor will make best efforts to advise residents in advance if your driveway will be blocked temporarily.

Should the Town replace deficient curb or sidewalk at your driveway, the process may result in asphalt patching which is shown on the enclosed illustrations. All reasonable efforts are made to ensure curb and/or sidewalk replacements are marked with white paint ahead of time, however areas may be added or removed as necessary throughout the work.

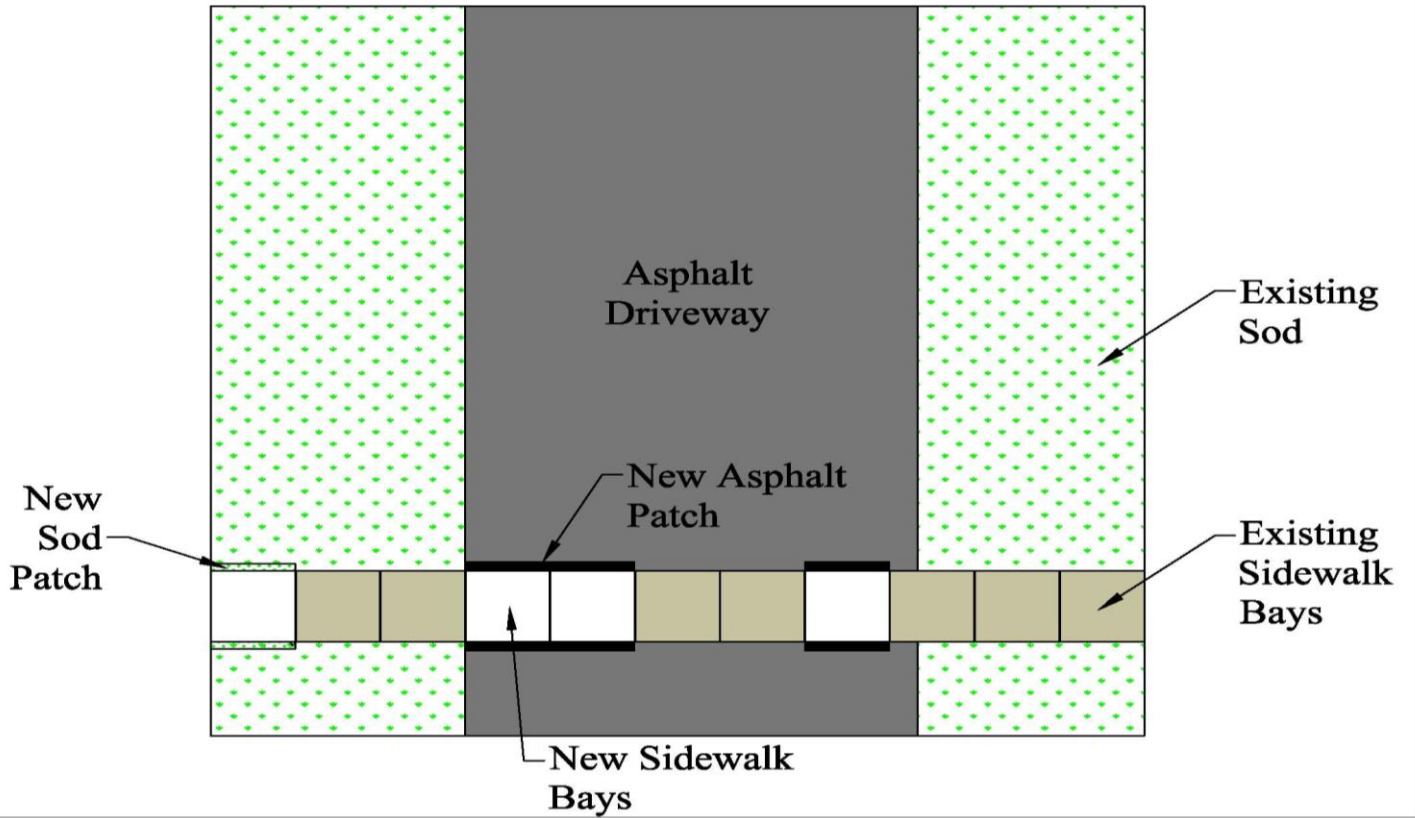

To ensure an effective and efficient project, residents are asked to not park vehicles on the road during construction. Waste collection will not be disrupted. Start dates for individual streets may vary, for more information and **construction schedule updates based on your community**, please visit our Capital Engineering Projects webpage: www.eastgwillimbury.ca/roadconstruction.
