

NOTICE OF WARRANTY WORK

Contract T-20-14

SURFACE TREATMENT ROAD WORK

- Doane Road from Centre Street to West End
- Jeffery Crescent from Leslie Street to Doane Road
- 2nd Concession Road from Holborn Road to North End
- Holborn Road from 2nd Concession Road to Leslie Street
- Hornes Road from Woodbine Avenue to Warden Avenue

Commencing this Thursday June 10th, 2021, Miller Paving who has been contracted by the Town is expected to be on your street applying a Surface Treatment to the existing road surface, where repairs are required.

The road will remain open at all times, with partial lane closures as required for construction.

We apologize in advance for any delays and inconvenience this work may cause. Driveways are not expected to be blocked but should it become necessary, it would be for a limited time only.

Weather permitting, all work is expected to be completed within one to two days.

2021 Slurry Seal is to follow the surface treatment warranty related repairs (exclusion: Jeffery Crescent from Leslie Street to Leslie Street).
