

## **NOTICE OF PUBLIC INFORMATION CENTRE #2**

### **TOWN OF EAST GWILLIMBURY TRANSPORTATION MASTER PLAN AND WATER/WASTEWATER MASTER PLAN**

The Town of East Gwillimbury has initiated a Transportation Master Plan (TMP) Study and a Water & Wastewater Master Plan (W/WWMP) Study to provide a sustainable blueprint for the planned growth of the Town to 2041. The TMP and W/WWMP will serve as updates to the Town's 2010 Transportation Master Plan and to the Town's 2009 Water & Wastewater Master Plan respectively by building upon sustainable policies and plans developed by York Region and the Province of Ontario.

Public feedback will help structure these Master Plan updates and build a stronger understanding of the public's interest, identify opportunities, challenges, and ideas for the future vision of transportation and water & wastewater infrastructure in the Town. As such, we intend to host a joint Public Information Centre for both of these Master Plan updates.

#### **THE PROCESS**

This Study follows the master planning process described in the Municipal Engineers Association Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015), including consultation with the public and stakeholders, consideration of all reasonable alternatives, a high level assessment of the effects on the environment at the network level, evaluation of alternatives highlighting advantages and disadvantages, and full documentation of the process providing a traceable rationale for conclusions reached. The Master Plan process will satisfy Phase I and II of the Municipal Class EA for recommended transportation infrastructure improvements:

- Phase I will assess existing conditions, context and challenges; and
- Phase II will develop network plans and identify triggers for different infrastructure needs, phasing of projects and an action plan.

#### **PUBLIC INFORMATION CENTRE (PIC) # 2**

Thank you for your input at PIC # 1 on March 22, 2018.

PIC #2 will introduce and develop network plans and identify triggers for different infrastructure needs, the phasing of projects, and an action plan. We require your input on the vision of transportation, and water/wastewater servicing in the Town

**Date:** April 10, 2019  
**Time:** 5:00-8:00 PM: Drop-in Interactive Open House  
**Location:** East Gwillimbury Civic Centre  
19000 Leslie Street, Sharon, ON L0G 1V0

#### **CONTACTS**
