

As Canada's fastest growing municipality (based on 2021 Census data), the Town of East Gwillimbury is located along Highway 404 in northern York Region and is as a premier center for growth within the GTA. We are proud of our award-winning focus on modernization, innovation, and creativity. Those joining Team EG will use that lens to help shape our growing community. As an Employee Recommended Workplace, employees enjoy a number of benefits including; competitive wages, employee assistance program, social and wellness committees, access to outdoor seating areas and numerous trails which allow you to enjoy the beauty of EG while at work. Come join our team and see the EG difference!

The Engineering Technologist is responsible for oversight and delivery of the Town's annual Capital Program from project initiation, planning and execution through to monitoring, commissioning, and closure. Reporting to the Asset Management & Capital Projects Manager in the Community Infrastructure and Environmental Services Department, the position acts as the Town's technical subject matter expert for municipal engineering and construction principles and best practices, that are used to support the effective delivery of projects and programs related to civil-based infrastructure planning, maintenance, renewal and construction for roads, bridges, sewers and watermains. Duties range from coordination of master planning and assessment studies through to detailed engineering design, construction inspection and administration, contractor monitoring and oversight.

A college diploma in Civil Engineering Technology; or a suitable combination of education and experience, eligibility for membership with the Ontario Association of Certified Engineering Technicians & Technologists, and three (3) years of progressively responsible municipal experience in project management, engineering design and construction is required. Good understanding and experience with various acts, standards and best practices including but not limited to; Highway Traffic Act, Municipal Act, Planning Act, Municipal Class Environmental Assessment (MCEA), Occupational Health and Safety Act, Highway Capacity Manual (HCM), Canadian Capacity Guide (CCG), Ontario Traffic Manuals (OTM), Ontario Traffic Council Manuals (OTC), Transportation Association of Canada (TAC) Manuals, OPS Standards and Specifications, MTO Manuals, etc.; ability to exercise judgement and communicate effectively with contractors, consultants, Town staff, the general public, Council members and external agency staff; good organizational, project management, problem solving, interpersonal, collaborative, communication (both written and verbal), report writing skills and the ability to work independently with minimal supervision; proficient using the full Microsoft Office suite, Teams, SharePoint, CAD, CRM/Work Management, Project and Information management systems; working knowledge of GIS software; good presentation preparation and delivery skills; valid Ontario Class "G" drivers' licence in good standing and access to a reliable vehicle for use on Town business.

Salary Range: Band 6: \$73,619 - \$86,614
