

Complete Communities Secondary Plan

A public information session will be held to receive input on the Complete Communities Secondary Plan on:

June 10, 2025, from 3 to 5 p.m. and 7 to 9 p.m. at the East Gwillimbury Operations Centre located at 19850 Woodbine Avenue, Queensville, ON.

PURPOSE OF THIS NOTICE

On September 6, 2023, East Gwillimbury Council commenced the East Gwillimbury Complete Communities (Whitebelt) Secondary Plan. The purpose of the Secondary Plan is to establish a detailed planning framework and urban land uses in accordance with the policies of the Town of East Gwillimbury Official Plan and York Region Official Plan (2022) to allow the Town to begin the long-range planning of the Town's new community areas.

PUBLIC INFORMATION SESSION

Each public information session will begin with a presentation on Phase 2 of the Emerging Land Use Plan of the Complete Communities Secondary Plan. "Worksheets" will be available for all attendees which will include the Plan and have topics under which all attendees can share their comments. The room will be set up with tables and chairs with copies of the material on which to provide comments. Each public information session will include table group conversations as well. Representatives from the Town and the Consultant team will be available to answer questions and discuss the Secondary Plan Study. Feedback from attendees will inform the final version of the Secondary Plan Study.

ABOUT THE PROJECT

Whitebelt areas included as part of the Complete Communities Secondary Plan will subsequently be subject to individual Community Design Plans. Efforts to complete the Secondary Plan will occur concurrently with efforts to finalize the updated Town of East Gwillimbury Official Plan. Town staff in coordination with the Town's Planning Consultant, will oversee the development of this plan, including completion of the required background studies, in an effort to work towards a Town-initiated Official Plan Amendment (Secondary Plan) to the Town of East Gwillimbury Official Plan.

As part of the development of the Complete Communities (Whitebelt) Secondary Plan, public consultation will be held with the public, at which time comments, questions, and input may be provided. Additional public consultation will take place to present a Draft Secondary Plan, and a statutory public meeting will also be held by the Town to present a final version of the Secondary Plan once it is complete. The Whitebelt Areas within the Secondary Plan will also participate in individual future Community Design planning processes, subsequent and separate from the Secondary Plan Process.

More information on the Complete Communities Secondary Plan is available on the Town's website at eastgwillimbury.ca/CompleteCommunities
