

Sharon Heritage Conservation District and East Gwillimbury Heritage Strategy

A public information session will be held to receive input on the Sharon Heritage Conservation District and the East Gwillimbury Heritage Strategy on:

October 29, 2025, from 3 to 5 p.m. and 7 to 9 p.m. at the East Gwillimbury Civic Centre located at 19000 Leslie Street, Sharon, ON.

PURPOSE OF THIS NOTICE

The Town of East Gwillimbury (EG) has initiated the process to designate a Heritage Conservation District (HCD) for the historic community of Sharon, as well as the creation of a Heritage Strategy to guide heritage conservation efforts within the Town.

On July 23, 2024, Council adopted the Heritage Conservation District (HCD) Study and directed staff to proceed to Phase 2 of the Sharon HCD project in accordance with the proposed HCD boundaries illustrated in Appendix 1 to Development Services Report DS2024-18.

In 2023 a capital budget request was also submitted for consideration as part of the Towns 2024 budget review process for a Heritage Strategy. Council approved the recommendation, and work began in 2024 on the initiative which included two presentations to Committee of the Whole Council.

PUBLIC INFORMATION SESSION

Each public information session will begin with a presentation on the Heritage Conservation District as well as the Heritage Strategy.

The room will be set up with tables and chairs with material on which to provide comments. Representatives from the Town and the Consultant teams will be available to answer questions and discuss the Heritage Conservation District and Heritage Strategy. Feedback from attendees will inform the final version of the Heritage Conservation District and Heritage Strategy.

ABOUT THE PROJECT

Before making a decision regarding adoption of the Heritage Conservation District and Heritage Study, Council has requested further consultation with residents of the Town and property owners within the HCD boundary.
