In accordance with the Planning Act, R.S.O. 1990, c. P.13, Part III Official Plans 17 (15)(d) at least one public meeting is held for the purpose of providing the public an opportunity to make representations in respect of the current proposed plan.

**March 24, 2026, at 6 p.m. at the
East Gwillimbury Civic Centre located at
19000 Leslie Street, Sharon, Ontario.**

PURPOSE OF THIS NOTICE

The Official Plan provides a long-term vision for land use, housing, infrastructure, and environmental stewardship within East Gwillimbury. The Official Plan review initially commenced in 2020 and the Plan presented to the public was adopted by Town Council in 2022.

With this statutory public meeting we move the Town's Official Plan one step closer towards approval. We look forward to hearing feedback from the community on this important municipal initiative. If you have questions regarding this project, please attend the public meeting or contact Planning staff directly with questions.

ABOUT THE PROJECT

Since adoption of the Town's Official Plan in 2022, staff submitted the Official Plan to the Regional Municipality of York for approval. Working with the Region, numerous amendments have been made to address conformity with the Region of York Official Plan as well as Provincial Plans and Policies.

Recent changes at the Provincial level necessitate further updates as the Official Plan must conform to Provincial plans and policies. The approval authority for the Town's Official Plan has shifted from the Region of York to the Ministry of Municipal Affairs and Housing. As a result, the Province will now oversee the review and approval process.
