#### PURPOSE OF THIS NOTICE

The Town of East Gwillimbury's current Zoning By-law 2018-043 was enacted and passed by Council on May 15, 2018. The Zoning By-law Conformity Update provides an opportunity to update the Town's municipal zoning standards as they relate to the legislative requirements and demands of today, while aiming to reduce the number of Zoning By-law Amendment applications and Minor Variance applications submitted to the Town.

This advances the Town toward its housing and growth targets while encouraging healthy and sustainable growth within the Town of East Gwillimbury over the life of the Town's Official Plan.

#### STUDY AREA

The project scope will include a review of Zoning By-law 2018-043, as amended as it applies to all lands within the Town of East Gwillimbury.

#### PUBLIC INFORMATION SESSION

Each public information session will begin with a presentation on the Zoning By-law Conformity Update.

The room will be set up with tables and chairs with material on which to provide comments. Representatives from the Town and the consultant teams will be available to answer questions and discuss the Zoning By-law Conformity Update. Feedback from attendees will inform the final version of the Town's Zoning By-law.

#### ABOUT THE PROJECT

The Zoning By-law Conformity Update project is necessary in response to new legislation and to bring the Town's Zoning By-law into conformity with the Town of East Gwillimbury Official Plan.
