*These results represent votes cast only in East Gwillimbury. To view the official results for each school board, please visit the municipal website indicated in the chart above.

Following an extensive public engagement process, the Town introduced online voting as an alternative voting method the 2022 municipal and school board election. EG voters had the opportunity to cast their ballot online and in-person during the advance vote period throughout the month of October, or in-person on Election Day.

Certified election results will be posted online at www.egvotes.ca once the Municipal Clerk/Returning Officer confirms the results.
